Nature Division

We had a great competition at our May Nature Meeting, with Richard Myren of the Placer Camera Club as our judge. He did an excellent job of critiquing and scoring our images. Congratulations to Peggy Seale for her Winning Image of the Month !

Please note that if you missed the May competition, your makeups must be included in the September Competition. You can send them to me any time !

Please see Jan Lightfoot’s description of what we will be doing at the June Nature & Travel meeting; it will be a fun and different kind of evening!

June Nature & Travel Program

Time is close to submit your images for our June Program! Do you have a favorite story you want to tell? An animal story, a travel story, or a story about a person perhaps? Make a story from your latest photo adventure, or share something that has been gathering dust for awhile (I have lots of those!). Or how about a favorite hobby or pastime?

Remember, June 1 is the deadline! Submit a series or sequence of three to seven images that tell your story. You may have a title slide if you wish, and you may speak to the group about what inspired you to create your story. Even if you’ve never submitted any images before, this is the perfect opportunity to share your work.

Send your images to me, Jan Lightfoot, at <comeflywithme@sbcglobal.net> with a title in the email stating “June Program Images”. The guidelines for submitting your images will be similar to submitting travel images, 1024 wide or 768 pixels high. Be sure to set the resolution at 100 dpi.

If you have any questions about how to submit images or make title slides, please let me know. I will make every effort to help you out.

Appetizers will be served, so come on out and help us celebrate Sierra Camera Club’s 75th Anniversary. Plan on a good time!

Print Division

Division Directors: Dave Kent & Mike McHaney

Do You Soft Proof?

One often overlooked step to printing is soft proofing. This simple step before pushing the print button will save you time, ink and paper.

NOTE: Having your monitor calibrated helps. I like to keep my screen bright, but before I print I move the brightness all the way to the left. For my Apple computer this is closer to my Epson printer colors.

1. First download and install the printer drivers from your printer company. If your print drivers do not specify the type of paper you will also need to download the paper profiles from the paper company you use.

2. Duplicate the image and place the image and the duplicate side by side. Select the duplicate copy.

3. In Photoshop Go to **View/ Proof Setup/ Custom**

4. In the pop up window: **Device to Simulate:** choose the printer and paper you will be using. **Rendering Intent: Relative Colorimetric**

Check the boxes for **Preview** and **Black Point Compensation**. Then click on **OK**

5. Make adjustments to the original to match the copy.

This should give you a print that closely matches your computer screen.

Note: Prints seldom match perfectly because the screen and the print are different mediums. You may still need to make some adjustments before the final print, but should save on multiple trial prints. by Gay Kent

Our first print competition of the year was a great success. David Robertson did an outstanding job as judge. His comments proved to be very educational for everyone. Many participants made comments about having learned a great deal about printing.

Thank you Dave for sharing your knowledge with us.

Our next meeting and competition will be July 19.

May General Photography Program

Images by Betty Sederquist

Betty Sederquist is a Photographer who has been publishing her images for more than thirty years. She served as Editor for Alaska Magazine and Managing Editor for Sacramento Magazine.

Having lived in and photographed Alaska for many years, she has extensive knowledge of the wildlife, terrain, and inhabitants of the area.

Betty began leading Photo Tours to Alaska twelve years ago, and graciously agreed to present an overview of her trips, images, and photography suggestions to the Sierra Camera Club members on Tuesday, May 10th. Stunning photography set to music filled the room while Betty spoke of her experiences. She identified wildlife and locations, and described how she managed to get those fabulous shots.

After the presentation, Betty answered all questions from the audience, it was truly an exciting evening!

by Lynne Anzelc

President's Message

May brought great competition in Travel and Nature and a wonderful program on Alaska by Betty Sederquist. It helps to have great skills and good equipment like Betty has, but it also makes for better images if you spend a lot of time in special places. You also have to be willing to put up with extreme weather conditions. Alaska has many different looks and Betty had great shots of a variety of wildlife and landscapes. Many thanks to Betty for sharing her images and knowledge of Alaska and photography with us.

A reminder that the 50th Anniversary Celebration of the Save the American River Association (SARA) will be held in William Pond Recreation Area on the American River Parkway at the end of Arden Way on June 4th. Join SARA in this celebration of 50 years of creating and protecting the parkway which we all enjoy for photography and other outings. Details are on the SARA website, http://www.icontact-archive.com/jiwNoAJxqsBcFLsUf_qCTltZiz0gfz8q

There are no competitions in June with Nature & Travel having a fun night of sequences and a program for General Photography. The Print Division takes the month off.

Lastly, our hearts and warmest thoughts go out to the family and friends of William Manasse, Al Brock and Lila Lincoln who recently passed.

Sierra Camera Club Members Shine

Laurie Friedman

With great pride (and a little trepidation), Laurie Friedman (a SCC member and former Travel Director) is pleased to announce her first solo photography show! The theme is Favorite (Travel) Photographs from her travels to over 70 countries, so be prepared for a smorgasbord of images. The reception is on the Second Friday Davis Art-About from 6-8 p.m. on June 10th at the I House in Davis (corner of College and Russell). The show will continue through July 5th during the regular I House hours (9 am to 1 or 4 p.m.). Love to see you at the reception (good company and good eats!) or just drop by to see the show next time you're in Davis.

by Laurie Friedman

Jan Lightfoot

Jan Lightfoot will be presenting a collection of images from her recent trip to Cuba at the Woodland Camera Club on Tuesday, June 21 at 7:15pm. She will also share information about the benefits of the meetup groups. The Woodland Camera Club is located at Norton Hall, 70 Cottonwood St. in Woodland. Please come!

Grant Kreinberg & Rebecca Fletcher

If you're looking for something different to do on June 4 &5, come visit the Art on the Vine art show in the beautiful Suisun Valley. .

Each year hundreds of people attend the Art on the Vine spring art festival to view and purchase art. In addition to the art, there will be food, wine tasting, and live music. Spend the day viewing art, nibbling on delicious food, and tasting the award-winning wine of Wooden Valley Winery. 11 a.m. to p.m. both days

Two of our members Grant Kreinberg and Rebecca Fletcher along with several other photographers will exhibiting their photo's.

General Photography Meeting

Our next General Photography meeting is set for Tuesday June 14. We will have a guest speaker, Bob Evans of Scenic Light Photography (<http://www.sceniclight.com>). Bob has lived in Northern California since 1960. He has spent over 30 years photographing the Sierra Nevada Mountains, Yosemite, and most of the western National Parks. He also spends lots of time on the California coast. He conducts a number of workshops every year, including Winter and Spring in Yosemite, Arches & Canyons in Utah, Grand Tetons, the Grand Tetons and Fall in the eastern Sierra. Bob was still deciding what topics he was going to cover when I prepared this message, but I'm sure it will be quite an interesting discussion.

As always, we will meet for dinner before the meeting. Dinner will be at the Old Spaghetti Factory, 1910 J St. beginning at 5. Please join us for dinner and the meeting.
