Sierra Camera Club Christmas Potluck

Tuesday, December 13, 2011 6:30 PM

I know, it's not even Thanksgiving and we want to talk about Christmas! We apologize for rushing the Season, but a lot of planning needs to go into any event that includes food!

Since this is our 75th anniversary as a club, we thought we'd try something a little different this year so the Club is buying fresh cooked turkeys along with rolls and a 75th birthday cake. This makes the 'potluck' portion of this event a little easier this year.

Your job is to sign up to bring enough food to serve 10 in one of the following categories:

.....Sides, Salads, Vegetarian....

You can e-mail your potluck item of choice to windsong22@msn.com (Sandy Parker) or you can sign up at the November meeting. In any case, we need an accurate count so we will know how much Turkey the club needs to provide. Please tell us how many are coming and provide us an e-mail and phone number to contact you in case we have duplications.

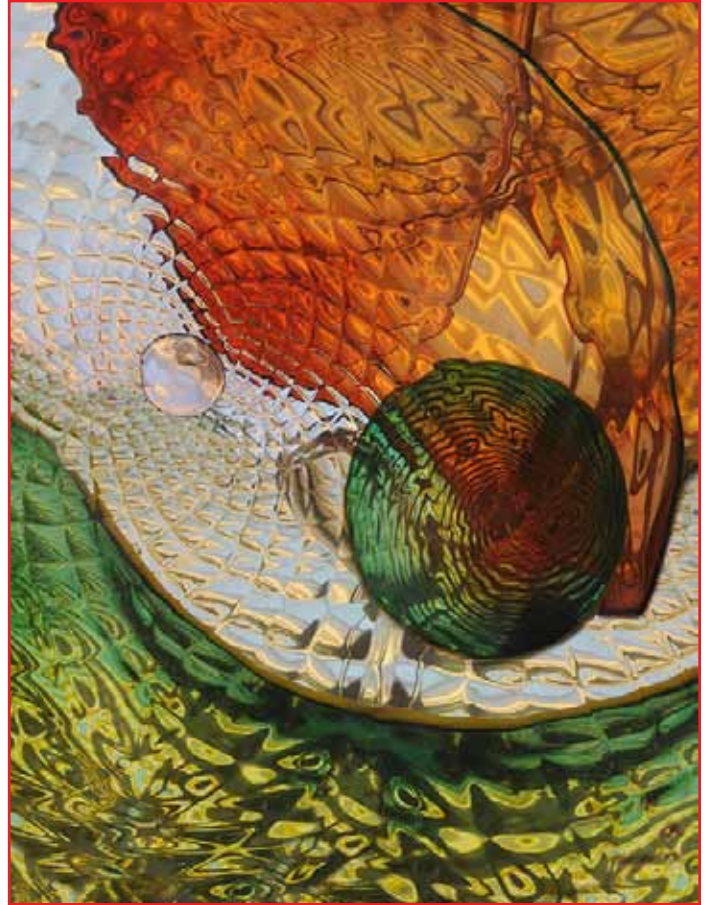

The club will also be providing punch and hot water for coffee or tea, utensils, plates and cups. You are welcome to bring your own liquid refreshments or set up items.

Now, we know that some of you prefer to make desserts, but quite frankly, with the 75th birthday cake we really only need 2 or 3 desserts (each serving 10). Please call Sandy at 916 434-2535 if you want to discuss this.

Thanks for your support in making this a great ending to our 75th Anniversary Celebrations.

Sandy Parker – Potluck Food Coordinator

Lynne Anzelc – Table Decorations

General Photography News

Our November General Photography meeting next week and is a show and tell night. However, to keep things interesting, we've added a twist. Please submit a maximum of 4 photos that you've taken recently with either the camera in your phone, or with a point and shoot (P&S) camera.

My preference would be for photos you've taken with your camera phone, in the last month. But given the lateness of this message, I've included P&S. Please no DSLR photo's.

Please identify all images with your LAST NAME FIRST, initial, title, and either phone or P&S.

For example. Kreinberg.G. Early Morning, Phone.

If we get a lot of entries, we may edit the number down to 2 or 3 per person.

Please submit your entries to me at Grantk@Castles.com AND Lynne Anzelc at enny1@att.net. The cutoff is NOON on Sunday November 6.

If you have any questions, please send me an e-mail. Grant

President's Message

by Charlie Willard

November is upon us with some color still around to shoot in the lower elevations and birds returning to our refuges. This time of year a lot of birds move into or through the valley fields, wetlands, and woodlands giving unique opportunities to shoot (with a camera of course) birds that aren't here at other times.

November brings the last meetings of the year for Nature, Travel, General Photography, and Print Divisions. Nature, Travel and Print Divisions are the final "monthly" competitions of the year. General Photography Division will have a share night with cell phone and point and shoot images. Be sure to get your images into the Division Directors on time. If you are late, your images won't be included and there are no meetings left for makeups.

At our November meeting we will be having our yearly elections. Our officers serve staggered two year terms. The offices below are up for election this year. The board has prepared a slate of candidates. You are welcome to nominate anyone else, but get their permission before you nominate them. You may contact me if you are interested in serving on the board or want to nominate someone else. I will also open the nomination process at the November General Photography meeting when we conduct the election. I want to thank all current board members for their service and those willing to serve on the board in the coming two years. We have a great board who works diligently on behalf of the club.

Projected slate of officers for election in 2011 to take office in 2012 through 2013

Gammagram Editor
General Photography
Assistant
Nature Director
Webmaster
Print Director
Assistant

Gay Kent
Lynne Anzelc
Jeanne Snyder
Donna Sturla
Paulo Oliveira
Dave Kent
Mike McHaney

Jan Lightfoot and the Exploring Photography Meet-Up Group continue to offer great outings. If you have not joined, consider it. There is no charge.

Happy clicking, Charlie

Nature and Travel News

Our very LAST competition of the year is Monday, November 7th. If you have missed a competition, you may send FOUR images only.

Please have your images to us by Friday, November 4th. No exceptions.

Print Division News

Our last print competition is Tuesday November 15th.

If you have missed a competition you are allowed 1 make up for a total of 4 images in Monochrome and 4 images for Color.

You may bring your prints for the end of the year competition. An e-mail will be sent with details.

Exploring Photography Field Trips

Walkabout Wednesday,
November 30, 2011, 10:00 AM

by Jan Lightfoot

Photo Walkabouts, for those of you who have a weekday to goof off, here's a little incentive to get out there and practice your photographic skills. Join me every four weeks or so on a Photo Walkabout, and we'll visit a different location every month. Here's how it works. When you RSVP, you will submit an idea on where you might like to go and shoot for that month. Everyone will have a chance to vote on the submitted ideas via e-mail. I'll then post the location a few days before the meetup so that you all will know ahead of time where we will be going. Plan to have lunch with us and talk shop. The weather or the season could even dictate what we want to shoot. Either way, the plan shouldn't take us farther than an hour or so away in any given direction. Remember, this will repeat about every four weeks, so if you can't make it to one, do the next one! Location to be determined! Sound interesting? Come along and find out!
